

## MAPT Business Partner Scholarship Program

It is the desire of the MAPT Executive Board and the MAPT Business Partners to establish a scholarship program to help provide opportunities for our Technician Members to attend the Annual Support Staff Expo when they might not otherwise have the financial support from their school district.

The criteria for awarding scholarships include the following:

- The recipient will become an MAPT Support Staff Member for one year.
- The recipient may not receive more than one scholarship in one year
- The recipient's district may not have more than two scholarship recipients in one year
- A completed application must be submitted at least 15 days prior to the event for which the recipient is seeking scholarship support to attend.
- The application must be signed by the Technicians Supervisor indicating the need for funding

The funding for the scholarship program will come from:

This will be funded through donations from our business partners and will be administered by MAPT following specific criteria outlined below. Should there be funds left after the deadline said funds will be available the following year.

Awarding of scholarships:

Scholarships will be distributed through a "first come" process as they arrive at the MAPT office though mail or fax until funds are exhausted.

Scholarships shall be used for Registration Fees Only. Travel and boarding will be the responsibility of the recipient.

Scholarship will be per person, for the entire event.

---

**Count me in:** I would like to provide scholarship funding for the MAPT Support Staff Expo
