

March 19, 2021

Dear MAPT Members,

As we all know the COVID Pandemic has provided us with great challenges in many areas. Earlier this month we successfully completed our first virtual Spring Conference with over 75 members participating.

The MAPT Executive Board met today and spent a great deal of time discussing the Annual conference for June. It is with great regret that we announce our decision to host our summer conference virtually. We would prefer a face-to-face conference but, for the safety of our members and the current State restrictions we will be virtual. Please be watching for more information to come out as we plan for this event. We have also determined that we will have to CANCEL the Road-e-o for this year. We are hopeful that our Spring Conference in March of 2022, will be back to normal. We are looking forward for all of us to come together for some great camaraderie, laughs and learning.

On behalf of the MAPT Executive Board and myself, we would like to thank you for your continued support and understanding during these difficult times.

Sincerely,

Terry Lechenet

MAPT President Elect
