Michigan Association for Pupil Transportation  
Executive Board, Past Presidents & Members  
2853 Jolly Road, Suite 2  
Okemos, Michigan 48864

Dear Members of the Board & Fellow MAPT Members,

I thank you for the opportunity to present you with my curriculum vitae to highlight my experience - both professional and educational - and detail my community involvement.

I have been married for almost 29 years. We have a daughter, Lauren, who is completing her freshman year at Calvin University, studying biology and Chinese. We have two dogs, two cats and four chickens that keep us busy while Lauren is away at college. I enjoy camping, kayaking, fishing and hiking. I'm also an avid reader of geo-political spy novels.

I'm active in our local Evangelical Covenant Church. I enjoy participating in the numerous projects we do each year in our community and at local school districts.

I'm quite new in the transportation department, as I'll celebrate my two-year anniversary in July. However, I have previous experience supervising the truck driving team for the Arconic ABM account in my former job. I am curious, organized and detail oriented. I love to identify problems and formulate processes to correct the issue and keep it from repeating in the future.

The skills that make me a successful Transportation Supervisor are my leadership and human relations techniques. I am a firm believer in the old adage that says, "*Culture Eats Strategy For Lunch!*" In other words, if you always treat your team with dignity, honesty, and respect, they will treat your customer the same and, in turn, deliver excellent results for the organization - an outcome strategy alone could never do. Showing genuine interest in my employees, caring for them, offering and accepting honest feedback & giving liberal recognition are all keys to my successful leadership style.

I will utilize my leadership style and management experience to build MAPT even stronger; making it the Michigan pupil transportation professional's first choice for networking and receiving training & support.

Thank you.

Penny S. Evert
